

Uninsured Patient Advisor Hotline

Helping Patients Get Connected to Health Coverage

833-541-5757

UNINSURED PATIENT ADVISOR HOTLINE:

WHAT IS THIS?

We know that unemployment is rising in part due to the COVID-19 pandemic impacts. This is why HCA Healthcare has created a dedicated **hotline for patients who may have recently lost their jobs (laid off or furloughed)**. The hotline provides personalized guidance to health coverage options, and can do the following:

- **Evaluate eligibility for COBRA, Healthcare Marketplace/Exchange Plans, and/or Medicaid and potential resources that may offset cost of insurance premiums**
- **Understand, complete and submit eligibility applications on the patients behalf (if desired)**
- **Follow up with county or state to complete eligibility process (if needed)**

WHO IS THIS FOR?

This is a free service and is intended to help connect individuals who may be faced with health insurance coverage challenges due to unemployment.

HOW CAN THEY HELP?

This hotline is staffed by **patient benefit advisors** and can help patients with their individual situation to find their best coverage options.

WHEN CAN I CALL?

The service is offered **Monday – Friday from 8AM to 6PM EST.**
